

FIAT SERVICE LETTER

SUBJECT: EXHAUST CONTROL SYSTEM

VEHICLES: X1/9 MODELS

SERIAL #: START #0048268

GENERAL INFORMATION: The X1/9 model will feature a modified emission control system. Emission certification of this system has been received, enabling the elimination of the catalytic converter.

Only the X1/9, California version, will be equipped with a catalytic converter.

Further details of the modified emission control system will be forthcoming.

READ, INITIAL AND PASS ON
