# FIAT SERVICE LETTER

SUBJECT: AIR CONDITIONER KITS #8219 AND #8654

VEHICLES: X1/9

GENERAL INFORMATION:

Air conditioning installation kits #8219 and #8654 were originally designed to fit the 1975 and early production 1976 X1/9 model.

Due to changes in the engine compartment area, the above-mentioned kits cannot be installed in late production 1976 or the 1977 models.

Presently, the only air conditioning equipment available for the X1/9 models will be factory installed units.
